Dear Mickey,

As you probably know, 1973 marks the 50th anniversary of Yankee Stadium and we are going to have a season-long Golden Anniversary celebration. We hope to mark the occasion on our Old Timers Day, Saturday, August 11, as well as on individual dates during the season.

We thought it would be interesting to learn from you what you consider your outstanding event at Yankee Stadium. In many cases the answer is obvious, but because we are writing a large number of your former team mates, we are asking you to answer this question for us.

1973 will be the final season at Yankee Stadium as we know it. We will be located at Shea in 1974 and '75 while Yankee Stadium is completely rebuilt to reopen in 1976.

Thanks for your cooperation. We are looking forward to seeing you in 1973 and wish you a happy holiday season.

Very truly yours,

Bot Fishel

I consider the following my outstanding experience at Yankee Stadium:

I got a blow-job
under the right field
bleachers by the Yankee
Bull pen.

This event occurred on or about: (Give as much detail as you can)

It was about the third
or fourth inning. I had
a pulled groin and couldn't
fuck at the time. She was
a very nice girl and asked
me what to do with the
cum after I came in her
mouth. I said don't ask
me, I'm no cock-sucker.
